

1. Albert wants to buy a book for his son, Tim. He asks a question to learn his thoughts about book genres.

What type of books do you like and dislike reading, Tim?

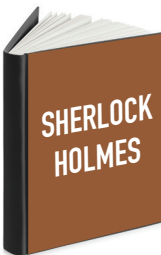

Albert

I think sci-fi books are ridiculous. I find them boring. Reading fantasy books is waste of time. I prefer reading historical books to detective books. Because I like learning old times.

Tim

According to the information above, which of the following books is Albert going to buy for Tim?

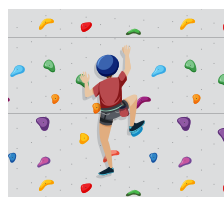

- A)  B) 
- C)  D) 

2.

Hello, I'm Adeline. I am an extreme sports addict. I've tried a lot of extreme sports because I like taking risks. It's really exciting to float in the air and feel the wind on my face. It's fantastic to explore the underwater and meet with the sea creatures. Barefoot walking? I feel so amused while climbing up a high tower, sharp rocks or a skyscraper without shoes. My friends say that I'm crazy, but I don't think so. I'm just doing sports!

Which of the following extreme sports is NOT mentioned in the speech bubble above?

- A)  B) 
- C)  D) 

3.

Scientists have exceptional skills in science, so they invented or discovered many useful things for changing our world. Alexander Graham Bell, Marie Curie, Madam C.J. Walker and Steve Jobs, I admire all of them. Why? Because by their struggles and achievements our world became a better place. We should use not only their inventions or discoveries but also appreciate them. I thank all the scientists when I use my smartphone, computer and other useful devices.

According to the text above, scientists - - - -.

- A) didn't have brilliant minds B) never help us understand who we are
C) studied together to change the world D) deserve our love and respect
